

BORDERLAND CRANBERRY LIQUEUR

Borderland Liqueurs have been prepared for centuries according to old borderland recipes, which are the tradition and pride of the eastern frontiers of Poland. Bottled in special bottles, labelled by hand.

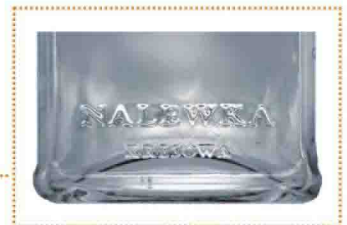

Borderland cranberry liqueur owes its mysterious taste to wild cranberry fruit, growing in boggy forests and wooded peat bogs near Bilgoraj.

Cranberry for years has been regarded a panacea for colds and low immunity to illnesses.

It is the ideal drink to refresh oneself on a hot day and warm up on a cool evening.

the simple, clear label is a tribute to an old design
