

Okocim Palone

The secret of its beautiful dark colour and exceptional, intensive taste lies in a unique process of malt fire-burning, a process that requires the highest level of craftsmanship and precision from the master-brewer.

As a result a unique beer has been created - with a slightly sweet taste at first sip and a nice, bitter follow through.

Okocim Palone is brewed to 5.5% ABV with 13.4% extract.

Available in 50cl bottles and 50cl cans.

Please call the BDD offices for further details.
